Check into a world of thrills with Resorts World Manila and Cebu Pacific

Lay-overs and wait times of airline passengers can be more convenient and enjoyable with the opening of the Resorts World Manila (RWM) Travelers Lounge. First to enjoy the benefits of the lounge will be Cebu Pacific (CEB) with its satellite check-in services for flights departing from the Ninoy Aquino International Airport Terminal 3 (NAIA T3).

Located at the ground floor of the RWM's Newport Mall, Cebu Pacific passengers have the option to check-in for their flights during mall hours, or up to eight (8) hours before their scheduled flights. Those with check-in bags, however, will still have to proceed to the Bag Drop counters at the airport.

"Now, guests have more reason to make use of check-in options such as the website, mobile app, and now, RWM's Travelers Lounge, to get their boarding passes even before arriving at the airport. CEB passengers have the opportunity to enjoy the amenities and attractions at Resorts World Manila—which is directly connected to NAIA T3, while waiting for their flights," said Javier Massot, Vice-President for Airport Services at Cebu Pacific.

To ensure that nobody misses their flights while enjoying RWM's attractions and amenities, real-time flight status digital boards are located at the lounge. Getting to NAIA T3 is easy and cool with Runway Manila, an air-conditioned, elevated walkway that directly connects Newport City with the airport. Free shuttle vans regularly make the rounds from Newport Mall and RWM hotels to the Runway Manila entrance from where passengers can walk to the airport within five minutes.

"We're very pleased to have this partnership with the Philippines' biggest budget airline," says Stephen Reilly, Chief Operating Officer of Resorts World Manila, "They fly hundreds of thousands of local and international tourists on their planes daily and we are glad to provide these travelers with the option of spending their pre-boarding hours enjoying the many thrills RWM has to offer."

As an added treat for those who check-in at the satellite lounge, RWM is giving away 300 pesos worth of non-negotiable slots credits, and PHP 150 discount vouchers for every minimum PHP500 spend at RWM signature restaurants such as Impressions, Passion, Ginzadon, Café Maxims, and gaming area restaurants Silk Road, Silogue, Victoria Harbour Café, and Franks.

Guests must be at least 21 years old to avail of the slot credits and to dine in gaming area restaurants. Travelers with flights are responsible for reaching their boarding gates on time and encouraged to check the flight status boards around the property and to allow enough time to reach the airport.
